Eskimo Mobile POS

Provide your customer with the ultimate personal shopper experience with Eskimo Mobile POS.

Tablet

Software
£25
p/month

Tablet Server

£950

Cash Drawer &
Receipt Printer

£345

Pricing accurate at the time of Printing. Prices are subject to change without notice.

Connect up to 8 tablets to one mini server and accompany your clients around your store with full Eskimo EPOS functionality at your finger tips. Have all tablets connected to one receipt printer and cash drawer, or if your business operates across multiple floors, select the nearest printer and cash drawer.

Use with the Payment Sense Credit Card service to support sales out on your Shop Floor or at external events as long as you have an internet connection.

Why choose **ESKIMO MOBILE POS**

- Reduce customer waiting time
- Supports up to EIGHT tablets
- All the same functionality as the desktop software
- Many tablets only one receipt printer
